

Is Your Brand Backed by KBS Facility Services?

Explore the Options With Tailored Exterior and Interior Solutions

When you think of your company's brand, you may imagine your logo and marketing campaigns. Do you also think about your physical locations and how they appear to potential guests? Your facilities and your brand identify go hand in hand.

That's why you want to maintain your properties consistently. KBS has the programs you need through Foodbuy Hospitality. You can turn to KBS for a broad range of interior and exterior facility solutions, from janitorial and floorcare to landscaping and snow removal.

Finding the Programs for Your Operation

Which services do you need most to keep your business operating smoothly? KBS has a full host of hospitality-specific offerings, including:

Nationally available cleaning services

Public health rapid response

Landscaping and snow removal services

Who Is KBS?

As the largest privately held provider of outsourced facility services in North America, KBS is able to manage large regional and national clients at scale. This company serves over 100K locations in North America daily, providing a full host of interior cleaning and janitorial services, along with exterior services, including snow removal, landscape maintenance, and parking lot sweeping.

Is Your Brand Backed by KBS Facility Services?

Choosing the Right Options for Your Operation

KBS is one of the very few integrated facility services companies to offer a full portfolio of interior and exterior services. That means that you're able to bundle a variety of services and customize your partnership.

Their scale and extensive services portfolio allow businesses to use their facility spend to get the best pricing possible. Combining facility maintenance needs with one vendor results in increased efficiencies, reduced administrative burden, and potential volume and bundle discounts.

Finding the Programs for Your Operation

Hotline, prep line, and back line cleaning services

A variety of kitchen deep cleaning services

Full exterior maintenance services
